College

**AIESEC for Students and Recent Graduates**
AIESEC is a great way to challenge yourself by interning and volunteering abroad. Not only do these programs expose students to real career experiences, they also help students grasp a clearer view of the world and its cultures.

*Website:* [https://aiesec.org/global-volunteer](https://aiesec.org/global-volunteer)

**Boren Awards**
Boren Scholarships allow U.S. undergraduate students to study languages critical to U.S. interests, including Arabic, Chinese, Portuguese, and Swahili, in world regions underrepresented in study abroad, including Africa, Asia, Eurasia, Latin America, and the Middle East.

*Website:* [https://www.borenawards.org/](https://www.borenawards.org/)

**DoSomething.org — Ongoing Service Projects**
One of the largest global organizations for young people and social change, our 3.8 million members tackle campaigns that impact every cause, from poverty to violence to the environment to literally everything else. Any cause, anytime, anywhere.

*Website:* [https://www.dosomething.org/us](https://www.dosomething.org/us)

**Dollar Street – Gap Minder**
Imagine the world as a street ordered by income. Everyone lives somewhere on the street. The poorest lives to the left and the richest to the right. Everybody else live somewhere in between.

*Website:* [https://www.gapminder.org/dollar-street](https://www.gapminder.org/dollar-street)

**Earth Expeditions**
Earth Expeditions are Miami University study abroad courses designed for people at all stages of their life and career who are looking for inspiring professional development opportunities while earning graduate credit. All courses engage with grassroots conservation and sustainability programs that are making a difference in Africa, Asia, Australia, and the Americas.

**Elie Wiesel Prize in Ethics**
The Elie Wiesel Foundation for Humanity hosts a yearly essay scholarship competition regarding ethical issues.

**Exchanges, Training, and Study Abroad**
The U.S. Department of State sponsors multiple programs for educational, cultural, and professional exchanges across the world.

*Website:* [https://exchanges.state.gov/us](https://exchanges.state.gov/us)
| **Fort Worth Sister Cities Emerging Leaders Network** | The Emerging Leaders Network, informally known as the NET, is comprised of alumni from Sister Cities programs, university students and young professionals, ages 18 to 39, with an interest in all things international. The mission of the NET is to inspire relationship building and cultural understanding by actively engaging the next generation of decision-makers in government, business, service, education, and social and networking activities that develop international connections throughout the year.  
| **Fort Worth Sister Cities Intercultural Protocol Training** | Fort Worth Sister Cities International provides an invaluable service through their protocol training workshops. The workshops take a holistic approach to international relations and cover many topics including gift giving, conversation topics to avoid, and societal norms.  
*Website:* [https://www.fwsistercities.org/what-we-do/protocol-training/](https://www.fwsistercities.org/what-we-do/protocol-training/) |
| **Games for Change** | Founded in 2004, Games for Change is a 501(c)3 nonprofit that empowers game creators and social innovators to drive real-world impact through games and immersive media.  
*Website:* [http://gamesforchange.org](http://gamesforchange.org) |
| **Global Citizen** | Global Citizen is an action platform dedicated to achieving the end of extreme poverty, powered by a community of millions of Global Citizens who believe in one world, one people – where everyone has an equal chance to thrive. Global Citizens take action to defeat poverty, demand equity, and defend the planet.  
*Website:* [https://www.globalcitizen.org/en/about/who-we-are/](https://www.globalcitizen.org/en/about/who-we-are/) |
| **JET Program USA** | The Japan Exchange and Teaching (JET) Program has sent more than 70,000 global participants (including nearly 36,000 Americans) to work in schools, boards of education, and government offices throughout Japan. This is a unique cultural exchange opportunity to meet people from all around the world.  
*Website:* [https://jetprogramusa.org/](https://jetprogramusa.org/) |
| **Luce Scholars Program** | The Luce Scholars Program is a nationally competitive fellowship program. It was launched by the Henry Luce Foundation in 1974 to enhance the understanding of Asia among potential leaders in American society.  
*Website:* [https://www.hluce.org/programs/luce-scholars/](https://www.hluce.org/programs/luce-scholars/) |
| **National Geographic Photo Contest** | Visual storytelling is the heart of National Geographic. Our photography contests feature images created by photographers from around the world, sharing visions that inspire, inform, and awe. Explore past contest winners and check back soon to join the next competition.  
*Website:* [https://www.nationalgeographic.com/contests/](https://www.nationalgeographic.com/contests/) |
| **Organization for Youth Education & Development (OYED) — Young Leaders Forums** | Organization for Youth Education & Development (OYED) Young Leaders Forums are international networks of like-minded individuals who share an interest in strengthening intercultural relations within a region or country, or between particular regions or countries. The first young leader's forum was developed in 2003 and aimed to improve relations between Canada and Germany. Over the last decade we have developed a broad range of forums focusing on diverse bi- and multi-lateral relationships within and between Africa, Asia, Europe, North and South America.  
**Our World in Data**

Our World in Data’s mission is to publish the “research and data to make progress against the world’s largest problems.” Poverty, disease, hunger, climate change, war, existential risks, and inequality: The world faces many great and terrifying problems. It is these large problems that Our World in Data focuses on.

*Website:*
https://ourworldindata.org/

**Peace Corps Prep**

Peace Corps Prep is a certificate program for undergraduates that centers on one empowering question: How can you prepare yourself to be the best Peace Corps Volunteer you can be? Upon completion of Peace Corps Prep, you will receive a certificate from the Peace Corps—and a competitive edge when applying for service.

*Website:*
https://www.peacecorps.gov/volunteer/university-programs/peace-corps-prep/

**PLURAL+**

PLURAL+ Youth Video Festival is a joint initiative of the United Nations Alliance of Civilizations (UNAOC) and the International Organization for Migration (IOM) that invites the world’s youth to submit original and creative videos focusing on the themes of migration, diversity and social inclusion.

*Website:*
https://pluralplus.unaoc.org/

**Project Dragonfly**

Housed at Miami University, Project Dragonfly is an education reform initiative with master’s degree programs in biology, graduate courses, learning media, public exhibits, and community partnerships across the U.S. and globally.

*Website:*

**Rotary Youth Exchange**

Rotary clubs host exchanges for students ages 15-19 in more than 100 countries. Long-term exchanges last a full academic year. Students live with more than one family in the host country and attend school there. Short-term exchanges last from several days to three months. They are often structured as youth camps, tours, or homestays that take place when school is not in session.

*Website:*
https://my.rotary.org/en/take-action/empower-leaders/start-exchange

**Social Progress Imperative Action Impact**

The Social Progress Imperative is a global nonprofit based in Washington, DC, providing decision-makers and everyday citizens with the very best data on the social and environmental health of their societies and helping them prioritize actions that accelerate social progress. The Social Progress Index measures how well a society provides its people with the things they really care about. The result is a detailed assessment of what life is really like for everyday people that complements traditional measures of progress like GDP.

*Website:*
https://www.socialprogress.org/

**The One Minutes Jr.**

The One Minutes Jr. brings together youngsters all over the world for video workshops to make their voices heard. The one-minute video is a powerful format. Within the span of a single minute, anything is possible. The limited time frame forces the young filmmaker to think carefully about his or her idea, whether it’s a statement, an experiment, a short narrative or a documentary.

*Website:*
http://www.theoneminutesjr.org/?thisarticle=606

**The Student Loan Report**

The Student Loan Report was started by Drew Cloud in 2016 to provide unbiased coverage on the latest student loan news and information. The Student Loan Report also creates resources and guides for borrowers and their families, so they make the best decisions when it comes to paying for college and repaying student debt. Some examples of these include guides for private student loans and student loan
refinancing and consolidation. The Student Loan Report merged into LendEDU in 2019, but this blog post contains various useful resources on student loans.

CDC Museum Disease Detective Camp

CDC Museum Disease Detective Camp (DDC) is an interdisciplinary educational program organized by the CDC Museum. The DDC reflects the museum’s mission of educating the public about CDC’s work. Admission is open to high-school students during the summer before their junior or senior years. During camp students are immersed in the diverse field of public health.

Website: https://www.cdc.gov/museum/camp/detective/index.htm

Congress-Bundestag Youth Exchange

The Congress-Bundestag Youth Exchange (CBYX) scholarship is for motivated high school students who want to experience a culture and learn a language through a full immersion experience. Learn about German culture first-hand by living with a host family and attending a German high school.

Website: https://www.usagermanyscholarship.org

Discover Diplomacy

A program of the U.S. Department of State, Discover Diplomacy aims to engage young people with the people, places, and issues related to current and past diplomatic efforts focused on the United States and various regions around the world. The page also features an explorer feature that allows students to search a world map for U.S. embassies located around the globe.

Website: https://www.state.gov/discoverdiplomacy/

Dollar Street – Gap Minder

Imagine the world as a street ordered by income. Everyone lives somewhere on the street. The poorest lives to the left and the richest to the right. Everybody else live somewhere in between.

Website: https://www.gapminder.org/dollar-street

Doors to Diplomacy

The Department of State and the Global SchoolNet Foundation announce the "Doors to Diplomacy" award competition, recognizing the student-created Global SchoolNet Web projects that best teach others about the importance of international affairs and diplomacy. Each student member of the two winning teams — one American and one international — will also receive a $2,000 scholarship, and the winning coaches' schools will each receive a $500 cash award.

Website: http://www.globalschoolnet.org/gsndoors/aglance.cfm

DoSomething.org – Ongoing Service Projects

One of the largest global organizations for young people and social change, our 3.8 million members tackle campaigns that impact every cause, from poverty to violence to the environment to literally everything else. Any cause, anytime, anywhere.

Website: https://www.dosomething.org/us/about/who-we-are

ePals Challenges

Kids from ages 5-18 are invited to participate in challenges such as the Invent It Challenge and the Folklorist Challenge, with the potential of winning cash prizes and paid trips.

Website: https://inventitchallenge2020.epals.com/

Euro Challenge

You are warmly invited to participate in the Euro Challenge, an exciting competition based educational opportunity for 9th and 10th grade high school students to learn about the European Union (EU) and its single currency, the euro. Launched in 2006, this program, aligned to the Common Core, introduces students of global studies, world history or European studies to economics and offers a unique learning experience that moves them out of the classroom into the real world.

Website: https://www.euro-challenge.org/
Fort Worth Sister Cities Youth Ambassadors

Youth Ambassadors from 8 – 12th grades represent Fort Worth and the USA in the cities visited while learning the importance of global volunteerism. Students also participate in monthly orientation meetings to prepare for the exchanges. The three exchange scholarships offered are the Yamada Emerging Leaders Scholarship, the Harashin Scholars, and the Partial Scholarships.

Website: https://www.fwsistercities.org/what-we-do/youth-exchanges/

Games for Change

Founded in 2004, Games for Change is a 501(c)3 nonprofit that empowers game creators and social innovators to drive real-world impact through games and immersive media.

Website: http://gamesforchange.org

Global Citizen

Global Citizen is an action platform dedicated to achieving the end of extreme poverty, powered by a community of millions of Global Citizens who believe in one world, one people – where everyone has an equal chance to thrive. Global Citizens take action to defeat poverty, demand equity, and defend the planet.

Website: https://www.globalcitizen.org/en/about/who-we-are/

Global Citizen Year

A Global Citizen Year re-imagines the transition into adulthood as what it has the potential to be: a transformation. Students find their Global Citizen Years life-changing, parents say they’re priceless, and top colleges call them preferable. GCY is looking for young people with exceptional passion and potential, and it works with each family to find ways to make the experience financially accessible.

Website: https://www.globalcitizenyear.org/

Global Citizens Youth Summit

The GCI LEAD Challenge is an innovative and carefully curated virtual program for secondary school students from around the world focused on Leadership, Ethics, Advocacy and Design Thinking. GCI LEAD Challenge participants will gain the tools, resources and mindsets to be agents of positive change, empowered to advocate for themselves and their communities.

Website: https://www.globaleci.org/events

Global Oneness Project

Global Oneness Project is a free multimedia platform for educators and students designed to explore the deeper issues facing humanity. For grades 3-12, their stories and lessons encourage students to broaden their perspectives and worldviews while fostering inquiry, empathy, resilience, and a relationship with our planet.

Website: https://www.globalonenessproject.org/

Global School Net Cyber Fair

CyberFair is the oldest and largest online educational event of its kind, bringing together more than 5 million students across 115 countries. Youth become community ambassadors by working collaboratively and creating digital stories to share what they have learned. Students evaluate each other’s projects by using a unique online evaluation tool.

Website: http://www.globalschoolnet.org/gsncf/

Global Schools

Global School is an initiative of the UN Sustainable Development Solutions Network (SDSN), a global research and policy network launched by the UN Secretary-General to support the implementation of the Sustainable Development Goals (SDGs) and the Paris Climate Agreement. Global Schools' mission is to create a world where every primary and secondary school student is equipped with the knowledge, values, and skills necessary for effectively responding to the greatest challenges of this century and shaping a sustainable and prosperous world.
Happy World Foundation

The Happy World Foundation connects students and professionals all over the world through several development and outreach programs. For high school students, they offer a Global Ambassadors Leadership Institute and International Service Learning Trips.

Website: https://www.globalschoolsprogram.org/

Heifer Ranch

The Heifer International Campus serves as the perfect outing for adults, families and school groups in downtown Little Rock. From our interactive exhibits right down to our fuzzy alpacas, we have something to offer guests of all ages. The campus features our Urban Farm, Village and headquarters building, and we offer programs and activities that teach about the global issues of hunger and poverty.

Website: https://www.heifer.org/what-you-can-do/experience-heifer/heifer-ranch-panel.html

Kennedy-Lugar YES Abroad Program Scholarship

The Kennedy-Lugar Youth Exchange and Study (YES) Abroad Program offers scholarships to American high school students to spend a semester or an academic year abroad. Past destinations include Bosnia & Herzegovina, Egypt, Ghana, India, Indonesia, Malaysia, Mali, Morocco, Oman, Thailand, and Turkey.

Website: http://www.yes-abroad.org/

Kidizenship

Kidizenship is a non-partisan, non-profit media platform for tweens and teens that reaches beyond the classroom, merging civics education with creative self-expression and community action. Kidizenship will convene respectful conversations and publish powerful content by and for young people about building a brighter future and an inclusive, just, and sustainable democracy.

Website: www.kidizenship.com

Mix It Up at Lunch

A national campaign launched by Teaching Tolerance over a decade ago, Mix It Up at Lunch Day encourages students to identify, question and cross social boundaries.

Website: https://www.learningforjustice.org/mix-it-up

National Geographic Student Expeditions

National Geographic offers summer travel programs that aim to inspire and educate high school and middle school students age 13 and older. We invite the next generation of explorers to set out into the field with our National Geographic Experts and knowledgeable Expedition Leaders on one of our immersive trips, held in destinations across the globe—from Alaska to Australia and beyond.

Website: http://ngstudentexpeditions.com/

National Peace Essay Contest

The U.S. Institute of Peace is holding a national essay contest that engages high school students in learning and writing about issues of peace and conflict, and encourages appreciation for diplomacy’s role in building partnerships that can advance peacebuilding and protect national security.

Website: https://www.usip.org/public-education/contests-students

National Security Association (NSA)

The Stokes Program for high school seniors who are planning on majoring in computer science, computer/electrical engineering, or Chinese or Russian languages. The G&T Language Program is open to high school seniors who are proficient in Chinese or Russian and plan to pursue language studies after graduation. It’s never too early to explore the many benefits of a career in national security. NSA offers high school students the opportunity to earn a paycheck while gaining real-world experience in the career of their choice. Juniors are invited to apply to the High School
| **National Security Language Initiative for Youth (NSLI-Y)** | The National Security Language Initiative for Youth (NSLI-Y) program, sponsored by the U.S. Department of State, provides merit-based scholarships for eligible high school students and recent high school graduates to learn less commonly taught languages in summer and academic-year overseas immersion programs. |
| **Website:** | [http://www.nsliforyouth.org/](http://www.nsliforyouth.org/) |
| **NCTE Achievement Awards in Writing Program** | Achievement Awards in Writing is a school-based writing program established in 1957 to encourage high school students in their writing and to recognize publicly some of the best student writers in the nation. The National Council of Teachers of English recognize students cited as excellent writers by judges. |
| **Website:** | [http://www2.ncte.org/awards/achievement-awards-in-writing/](http://www2.ncte.org/awards/achievement-awards-in-writing/) |
| **The One Minutes Jr.** | The One Minutes Jr. brings together youngsters all over the world for video workshops to make their voices heard. The one-minute video is a powerful format. United Nations Association of the USA

The United Nations Association of the USA (UNA-USA) is a movement of Americans dedicated to supporting the United Nations. With over 20,000 members (60% under the age of 26) and more than 200 chapters across the country, UNA-USA
<table>
<thead>
<tr>
<th><strong>United States of America</strong></th>
<th>members are united in their commitment to global engagement and their belief that each of us can play a part in advancing the UN’s mission and achieving the Sustainable Development Goals.</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>United Nations – Sustainable Development Goals</strong></td>
<td>The Sustainable Development Goals are the blueprint to achieve a better and more sustainable future for all. They address the global challenges we face, including poverty, inequality, climate change, environmental degradation, peace and justice. Learn more and take action.</td>
</tr>
<tr>
<td><strong>Video Conferences Around the World</strong></td>
<td>Video conferences are either 60 or 90 minutes long and facilitated by one of Generation Global’s trained experts in student dialogue. We offer video conferences for the age groups of both 13 to 14, and 15 to 17.</td>
</tr>
<tr>
<td><strong>WE Charity</strong></td>
<td>WE Charity is an international charity and educational partner. Our organization is unique in that it operates collaborative programs both domestically and internationally. In the US, Canada, and the UK, WE Schools is a year-long service-learning program that nurtures compassion in students and gives them the tools to create transformative social change.</td>

| **Playing 4 Peace Challenge** | The fifth AMD Impact Challenge is run by the youth leaders of the Global Kids Playing 4 Keeps Program and is all about ending war. War plagues many people on our planet. While it is a popular topic for television, movies, and video games, many media don't push us to think about why war really begins, the cost of it for everyday people, or real strategies for ending it. That's what this challenge is about - use the power of games to help game players understand war so that they can help end it.

| **Topography Games** | Test your knowledge of topography here in one of our maps of the world games. Pinpoint the right country, city, state, river or mountain range on the map. Choose from maps of different parts of the world and improve your knowledge of them. Do you need an atlas, or can you do it by heart?  
*Website:* [http://games.co.za/search.html?s=topography](http://games.co.za/search.html?s=topography) |
| **The Ultimate Dialogue Adventure** | The Ultimate Dialogue Adventure (UDA) is an immersive and fun way for young people to learn and practice the skills of dialogue, explore different perspectives and global topics, and build intercultural connections with peers from all over the world. Through this fun and interactive game, they will be awarded badges and certificates for completing learning on different topics, earn points (XP) on their way to becoming dialogue masters and discover ways in which they can use dialogue in real life.  
*Website:* [https://generation.global/uda](https://generation.global/uda) |
| **UrgentEvoke.com** | Your mission is to practice your world-changing skills, right now, wherever you are, through ten missions. Each mission has three objectives. LEARN - Investigate our great challenges and share what you discover. ACT - Get out in the world. Do something small to help solve a real problem. IMAGINE - Unleash your creativity. Tell a story about the future you want to make.  
| **World Maths Day** | World Maths Day is an event created by 3P Learning, makers of Mathletics. To celebrate World Maths Day we offered a celebratory in-class competition pack and free access to Mathletics for all schools across Europe, the Middle East and Africa schools with everything needed to celebrate World Maths Day in their classroom. Using the Live Mathletics platform, your students tested their speed and accuracy in arithmetic and numeracy skills in a series of head-to-head maths battles – and had a lot of fun doing it!
